

# Design Your Own ODD SOCKS

On 21st March, the world will don their odd socks in celebration of our uniqueness to raise awareness of Down's syndrome.

Help us spread the word and grab some colouring pencils to design your own pair of odd socks (page 3) or colour in our pre-designed pair (page 2).

Don't forget to share your creations on social media and tag us using @welovefrugi, @downs\_syndrome\_association, #FrugiCreates and #InclusionMeans
