

# Create a Garden Collage

## Instructions:

1. Print out this page as many times as you like and get a spare blank A4 piece of paper ready.
2. Colour in the flowers and plants (you can draw your own garden objects too).
3. Carefully cut around the flowers and plants using scissors.
4. Using a glue stick, stick them down onto your spare blank piece of A4 paper to create your garden collage!

## What you'll need:

- ✿ Paper or card
- ✿ Colouring pencils
- ✿ Scissors
- ✿ Glue stick

Don't forget to recycle  
the left over paper
