

RABBIT EAR HEADBANDS

YOU WILL NEED:

- ✓ Paper or card
- ✓ Scissors
- ✓ Glue stick
- ✓ Colouring pencils

INSTRUCTIONS:

- 1 Print out page 2 (card works better than paper).
- 2 Colour in the ears then ask an adult to cut around the edges.
- 3 Cut out the rectangle shape and put some glue onto the bottom of the rabbit ears, underneath the line.
- 4 Stick the rabbit ears into place on the back of the rectangle band.
- 5 Ask an adult to measure the band around your head, making a small mark when it reaches the correct size. Then, glue the two ends of the band together, making sure you don't glue it past the mark.

PUT YOUR RABBIT EARS ON, READY FOR EASTER!
